Re: Termination of Notice of Non-Compliance, Interpace Industries, Inc. Henefer Red Clay Mine, M/043/014, Summit County, Utah

Dear Mr. Hancock:

This letter provides formal notification of the Division's termination of the Notice of Non-Compliance issued on May 29, 2002 for the Henefer Red Clay Mine site. To mitigate the non-compliance notice, four items needed to be addressed. Those tasks and the resolution performed by Interpace are summarized below:

1. ***Interpace Industries, Inc. must submit a transitional reclamation surety to the Division in the amount of \$63,300.00.*** - The Division received the required surety on August 6, 2002.
2. ***Interpace Industries, Inc. was to suspend all mining until the reclamation surety posted.*** - No mining-related activities were observed prior to posting the reclamation surety.
3. ***Interpace Industries, Inc. shall submit a permit amendment/revision, to include all areas disturbed.*** - The Division received an amended notice to revise the approved permit on July 13, 2002.
4. ***Interpace Industries, Inc. shall clearly mark the perimeter of the proposed permit area boundary.*** - A January 7, 2003 Division inspection verified that the perimeter markers are now in place.

Thank you for your efforts and cooperation in resolving these compliance related issues. We are proceeding to complete our review of your amended notice and hope to make a tentative approval decision shortly.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
